

Cottage Rehabilitation Hospital (CRH) provides compassionate, patient-centered medical rehabilitation to empower people with disabilities.

CRH is dedicated to providing excellent care for survivors of stroke, brain injury, spinal cord injury, orthopedic injury and other disabling conditions. Patients at CRH receive intensive rehabilitation services, a minimum of three hours of therapy per day, five of seven days a week.

Cottage Rehabilitation Hospital (CRH) is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) in Brain Injury Specialty Program, Comprehensive Integrated Inpatient Rehabilitation Program, Spinal Cord Specialty Program and Stroke Specialty Program. The Joint Commission accredits CRH as a program of Santa Barbara Cottage Hospital.

Rehabilitation Inpatient Outcomes 2021

CRH TRANSDISCIPLINARY TEAM

CRH team members work together to achieve maximum successful outcomes. Mutual support exists among all members of the team, with the patient and caregiver at the center of the team.

This model illustrates
how CRH's coordinated
care leads to success:

2021 REHABILITATION INPATIENT OUTCOMES
