Cottage Rehabilitation
Hospital (CRH) provides
compassionate, patientcentered medical
rehabilitation to empower
people with disabilities.

CRH is dedicated to providing excellent care for survivors of stroke, brain injury, spinal cord injury, orthopedic injury and other disabling conditions. Patients at CRH receive intensive rehabilitation services, a minimum of three hours of therapy per day, five of seven days a week.

Cottage Rehabilitation Hospital (CRH) is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) in Brain Injury Specialty Program, Comprehensive Integrated Inpatient Rehabilitation Program, Spinal Cord Specialty Program. The Joint Commission accredits CRH as a program of Santa Barbara Cottage Hospital.
