

Comprehensive imaging and radiology services designed for your comfort and convenience

A full list of imaging tests and procedures offered at Cottage Health Imaging locations is shown at right.

LOCATIONS:

Goleta Valley Cottage Hospital (GVCH)

Santa Barbara Cottage Hospital (SBCH)

Santa Ynez Valley Cottage Hospital (SYVCH)

Cottage Health offers a complete range of the highest-quality imaging technologies for preventive screenings and the diagnosis of complex medical conditions. We provide imaging and radiology services in an environment designed for your comfort and convenience.

Our imaging and radiology clinical staff offer:

- Advanced imaging technologies to ensure an accurate diagnosis to guide your care
 - Online scheduling for some of the most common radiology tests and procedures, such as mammograms
 - Convenient and compassionate care before, during and after your imaging services
 - Access to your radiology study images and reports through Cottage MyChart, ensuring you have a secure and easy way to view your health care information online from anywhere and anytime.
- Imaging Tests and Procedures

To schedule an appointment call, 805-563-7000

IMAGING TEST OR PROCEDURE	GVCH	SBCH	SYVCH
3D mammogram	•	•	•
Abdominal endovascular aneurysm repair (EVAR)		•	
Abdominal ultrasound	•	•	•
Ablation therapy		•	
Arteriography		•	
Arthrogram	•	•	•
Biliary drainage		•	
Bone density test (DEXA)	•		•
Breast abscess drainage	•	•	•
Breast biopsy	•	•	•
Breast cyst aspiration	•	•	•
Breast MRI		•	
Breast ultrasound	•	•	•
Breast X-ray	•		
Cardiac CT scan		•	
Cardiac MRI		•	
Carotid angiogram	•		
Carotid ultrasound	•	•	•
Cerebral angiogram	•		
Chemoembolization		•	
Chemoembolization for liver cancer		•	
Chest drainage tube insertion		•	•
Chest X-rays	•	•	•
Cholangiogram		•	
Computed tomography (CT) urogram	•	•	•
Coronary calcium scan	•	•	•
Cryoablation for cancer		•	
CT brain perfusion		•	•
CT colonography	•	•	
CT coronary angiogram		•	
CT scan	•	•	•
CT-guided aspirations	•	•	•
CT-guided biopsy	•	•	•

CONTINUED...

IMAGING TEST OR PROCEDURE	GVCH	SBCH	SYVCH
CT-guided drainage		•	•
Ductogram	•		
Embolization therapy		•	
Fetal MRI		•	
Fetal ultrasound	•	•	•
Fine needle aspiration	•	•	•
Fluoroscopy	•	•	•
Fluoroscopy-guided biopsy		•	•
Gallbladder tube placement		•	
Gastrostomy tube placement		•	
HIDA scan		•	
Hysterosonogram	•		•
Inferior vena cava (IVC) filter retrieval		•	
Intraoperative magnetic resonance imaging (iMRI)		•	
Intrathecal chemotherapy		•	
Intravenous pyelogram	•	•	•
Kidney biopsy		•	
Kidney tumor ablation		•	
Kyphoplasty		•	
Liver tumor ablation		•	
Loopogram	•	•	•
Lung cancer screening		•	•
Lung tumor ablation		•	
Magnetic resonance angiography	•	•	
Mammogram	•	•	•
MRI	•	•	•
MRI-guided biopsy		•	
MRI-guided breast biopsy		•	
Myelogram	•	•	•
Nephrostomy tube placement		•	
Paracentesis	•	•	•

IMAGING TEST OR PROCEDURE	GVCH	SBCH	SYVCH
Pelvic ultrasound	•	•	•
PET/CT scan		•	
Positron emission tomography scan		•	
Radioactive seed localization		•	
Radioembolization for liver cancer		•	
Radiofrequency ablation for cancer		•	
Soft tissue tumor ablation		•	
SPECT Scan		•	
Spinal angiography			
Spinal injections	•	•	•
Stereotactic breast biopsy	•		
Stereotactic needle biopsy	•		
Thoracentesis	•	•	•
Thyroid fine needle aspiration	•	•	•
Tomosynthesis-guided breast biopsy	•		
Transjugular intrahepatic portosystemic shunt (TIPS)		•	
Transplant imaging evaluation	•		
Ultrasound	•	•	•
Ultrasound-guided biopsy	•	•	•
Venography	•	•	
Videofluoroscopic swallowing study	•	•	
X-ray	•	•	•

Cottage Health is accredited by the American College of Radiology (ACR), the gold standard in medical imaging. As American College of Radiology accredited facilities, Cottage provides you with the most advanced technology imaging services and personalized care.
