CALL FOR **ABSTRACTS**

The Cottage Health Research Institute is now accepting abstracts for the 2022 Collaborative Research Symposium.
The Symposium will be held on April 22, 2022 , at The Ritz-Carlton Bacara, Santa Barbara –
the premier oceanfront resort in Southern California.
Share your innovative research with your colleagues, fellow researchers and community members.
Work that introduces new ideas, concepts, research or understandings of the subject categories are encouraged.
Abstracts will be accepted for a 10-minute oral presentation.

Abstracts are due by **11:59 p.m.** on **Sunday, February 6, 2022.**

ELIGIBILITY

An abstract may be submitted by graduate students*, postdoctoral fellows, residents, clinicians, physicians, and university faculty or staff.

*Abstracts will not be accepted from undergraduates

Staff from nonprofit organizations, hospitals or other government agencies are encouraged to apply.

Researchers from for-profit companies will be invited to apply. All others are ineligible.

For questions, or to request and complete an Abstract Application Form from:

CHRI@sbch.org

RESEARCH IN THE FOLLOWING AREAS IS ACCEPTED

Including but not limited to:

1. **Developmental Biology/ Life Sciences**
   a. Stem Cells
   b. Cell Division
   c. Genomics

2. **Technology in Healthcare**
   a. Robotics
   b. Imaging

3. **Healthcare Delivery**
   a. EMR
   b. Drug Delivery
   c. Patient/Physician Communication

KEYNOTE SPEAKER:

Peter J. Hotez, MD, PhD
Dean of the National School of Tropical Medicine and Professor of Pediatrics and Molecular Virology & Microbiology at Baylor College of Medicine

Made possible through the generous support of Alex Pananides and Janet Larson Dunbar

ELIGIBILITY

A research idea or concept can be presented as long as a clear objective or need for a collaborator to implement the project is described. A research study that is in progress or does not yet have final results available will also be considered.

- An abstract may be submitted by graduate students*, postdoctoral fellows, residents, clinicians, physicians, and university faculty or staff.
- Staff from nonprofit organizations, hospitals or other government agencies are encouraged to apply.
- Researchers from for-profit companies will be invited to apply.
- All others are ineligible.

  Abstracts will not be accepted from undergraduates

RULES AND REGULATIONS

- Applicants must list all authors of the abstract in the application form. Multiple abstract entries from an individual are not allowed.
- An abstract must be submitted by the required deadline. No edits, new versions or substitutions allowed after the submission deadline.
- Abstract topic must relate to one of the three subject category descriptions found in original call for abstracts.
- All information submitted must be non-confidential. Any abstract that contains patient Personal Health Information (PHI) or Personally Identifiable Information (PII) will be disqualified.
- The presentation should not be a promotion or advertisement of a company or product.

SUBMISSION INSTRUCTIONS

- Please proofread your abstract carefully to avoid errors and to ensure the application is complete.
- Adherence to font size and margin requirement to ensure readability and fairness. Font size must be 11 points or larger. Provide at least one-half inch margins (½") - top, bottom, left and right - for all pages. Small text in figures, graphs, diagrams and charts is acceptable, as long as it is legible when the page is viewed at 100%. The following fonts are recommended: Arial, Georgia, Helvetica or Palatino Linotype.
- A maximum of three tables and three graphs/images can be included: a graph/image (in JPG, GIF or PNG with ideally 600 dpi) counts as 50 words, and a table counts as 10 words per row.
- Submit completed and signed application form and abstract to **CHRI@sbch.org** by **11:59 p.m.** on **Sunday, February 6, 2022.**

Consent to Share Selected Information with Symposium Registrants and/or CHRI

☐ I give permission for CHRI to publish the content of my abstract, including supporting documents as submitted on this form, on its website for Symposium registrants to view.

☐ I give permission for CHRI to publish any presentation materials, including presentations, posters, documents, and other attachments, to its website for Symposium registrants to view.

Note: Declining publication does not exclude you from being included in the Symposium

Please note that the abstract title and key presenter's name and organization will be made available publicly for ALL accepted abstracts.

Copyrights

CHRI respects the rights of all copyright holders. Content contributors will be given appropriate credit for their materials. CHRI's website's Terms of Use advises all users that they may not remove any copyright notices from the materials and that they are not authorized to sell, rewrite, modify or redistribute materials from the site without prior written permission.

☐ I agree to these terms of publication. I have obtained all necessary rights, licenses, releases and consents and give permission to CHRI to publish the submitted materials or content on its website as specified above. I am aware that the key presenter's email address will be made available electronically for all Research Symposium registrants if I consented above.

C. Abstract category/ specialty.

Check only one.

☐

Developmental Biology/ Life Sciences

Stem Cells, Cell Division, Genomics

☐

Technology in Healthcare

Wearables, Robotics, Imaging, AI/Machine Learning

☐

Healthcare Delivery

EMR, Drug Delivery, Patient/ Physician Communication

The abstract should include, but is not limited to, the following headers:

• Background

• Hypothesis or Objectives

• Design, Setting and Participants

• Main Outcomes and Measures/Significance

• Results

• Conclusions/Relevance

D. Abstract Title. Limited to 30 words.

E. Abstract Text. Limited to 450 words.
